Provider Information

Current Provider

Preferred Porting Date

ASAP (at least 15 workdays)*	Information: Due to the profile change, your phone number may be unavailable for a maximum of 4 hours.
asap in accordance with notice period of current provider Earliest possible porting date:	
date (at least 15 workdays)*:	* I acknowledge that the current provider may charge penalty fees for the early termination of contracts for portings executed prior to the minimum contractual term..

Type of Porting

DSL customers: For your DSL connection, at least one number or the connection must remain with your DSL provider. Select the option „partial porting“ to keep the DSL signal.

Complete porting

Partial porting of the following numbers (line remains)

Details of analogue/ISDN phone line incl. area code or VAS/value-added service numbers.

1	2	3
---	---	---

Service-Description (netvoip service, where the ported)

A maximum of 3 numbers can be registered on one account.

The ported numbers will be added to an existing Prepaid account.

The ported numbers will replace the following netvoip numbers:

1	2	3
---	---	---

Porting Prices

All prices are in Swiss francs and include VAT.

Porting charges will be billed directly to the netvoip account. Please ensure that your netvoip account has the necessary credit of at least CHF 60.- before porting.

ISDN / POTS / VAS	First number/ISDN number block	60
	each additional number block	60

Comments

We have decided to use Netstream for all our phone-, fax- and data connections for the above mentioned phone number(s). We hereby authorize Netstream to make all further arrangements on our behalf. This includes particularly the contractually necessary communication with our current provider. We hereby authorize our current provider to provide all information required by Netstream for any migration and continuation of the service. This business relationship is subject to the General Terms and Conditions of Netstream AG, which are an integrated element of the contractual relationship. By signing, we confirm that we have seen, read, understood and unconditionally accepted the terms. The latest GTC are published at www.netstream.ch/agb.
